Dear Mr. LeBlanc,

Thank you for your recent inquiry regarding the effect of aftermarket products or components on Cummins warranty.

Cummins Limited Warranty speaks for itself.

Our warranty covers defects in workmanship and/or material as manufactured and sold by Cummins; therefore, the use of any product sold in the marketplace not manufactured by Cummins would not affect our warranty. However, any engine performance problem or failure caused by products or components not manufactured or sold by Cummins is not considered by Cummins as a warrantable type of failure.
